

Privacy Policy – Vibert Space Defence

Last updated: April 6, 2026

1. Introduction

This Privacy Policy describes how the Vibert Space Defence app handles user data. The App is designed to function without collecting any personal data.

2. Data Collection

Vibert Space Defence does not collect, store, or share any personal data or user information. Specifically:

- * No personal data (name, email, etc.)
- * No usage data
- * No location data
- * No device identifiers

3. No Tracking

The App:

- * Does not use analytics tools
- * Does not use advertising services
- * Does not perform any kind of tracking

4. Third-Party Services

The App does not integrate any third-party services that collect user data.

5. Security

Since no data is collected, there is no risk related to the processing of personal information.

6. Children's Privacy

The App is safe for users of all ages, as it does not collect personal data.

7. Changes to This Privacy Policy

Any updates to this Privacy Policy will be published in this section.

8. Contact
